CLUB NOTES

GOALS AT LAST BUT SLUMP IN DEFENCE

North End's inconsistency in recent weeks regrettably has had unfortunate and depressing results which have adversely affected our League prospects and meant an untimely exit from the Football League Cup competition in the third round. The 0-4 defeat suffered at Grimsby was our fourth in succession.

Recent inability to get goals, which had been offset somewhat by soundness in defence for some weeks, led to an anti-climax in the last home match. Not only did the forwards again fail to score — the defence gave way after conceding a mere four goals in the 10 preceding matches, and Manchester City won by 3-0.

We had not lost at home in a League game for 11 months, and, ironically, it was Manchester City who inflicted the previous setback by 5-2 on November 7th, 1964. In the meantime North End had won 12 and drawn six Second Division matches at Deepdale, but in the F.A. Cup last season were beaten at home by BoltonWanderers.

Last Saturday at Rotherham North End at last found how to score again, getting three for the first time since August 28th against Birmingham, but, by further irony, the defence again took a beating and were debited with six goals. With this slump continuing at Grimsby we have had 14 against us in only three matches.

The result of this perplexing and extremely disappointing form is that since our last League victory, by 2-0 at Carlisle on October 2nd, four matches which could have had a vital bearing on the promotion issue have gone against us to the extent of only one point gained out of eight — the 0-0 home draw with Coventry.

To-day brings another tough test, our visitors being the relegated Wolves who have not looked back since their thrashing at Southampton. Their free-scoring

attack has been rampant in a determined bid to return to the First Division in one season. They have come strongly from behind into a favourable position.

Many have been the clashes at Deepdale between North End and the gold-shirted Wolves, going back to 5-2 for Preston in the first meeting as long ago as 1888, and on numerous occasions spectators have seen thrilling struggles, with such results as 5-4 (twice), 5-3, 4-3 (twice), 4-2 (twice) and 3-3 — 0-3 at one period.

Following is a summary of home results with Wolves in three phases :—

	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
1888-1915	17	11	3	3	44	23	25
1919-1939	12	10	1	1	34	18	21
1946-1965	13	4	4	5	21	20	12
	42	25	8	9	99	61	58

It will be seen that in the final period the Wolves have been rather a bogy team at Deepdale. Results of the corresponding away matches are :—

	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
1888-1915	17	5	5	7	19	23	15
1919-1939	12	3	2	7	13	30	8
1946-1965	13	2	2	9	18	29	6
	42	10	9	23	50	82	29

This gives an overall record, lightly in North End's favour of —

	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
1888-1965	84	35	17	32	149	143	87

With much regret we put on record the death last week of that outstanding servant of North End from 1921 to 1932 of Bobby Crawford, the dour and skilful Scottish wing-half who later played for Blackpool, Blackburn Rovers and Southport and altogether made 502 League appearances in 18 seasons, 392 of them for North End. From November 14th, 1925 to October 14th 1933 he missed only one first team game.

Old playing colleagues at the funeral included Mr. Billy Mercer (North End Vice-Chairman), Jasper Kerr, George Bargh, Jim Metcalf, Gavin Nisbet and Frank Ward. Our manager Mr. Jim Milne, who signed for North End in October, 1932, a month after Bobby's departure to Blackpool, also paid his last respects.

JUST IN TIME—A WORLD CUP INTERPRETATION

One of the ways in which the World Cup Organisation has set out to ensure that the genuine football supporters are the ones who will be able to watch the World Cup Final at Wembley Stadium on July 30th, 1966, is by making it clear from the outset that no single tickets will be sold for the Final. They will be obtainable only by purchasers of season tickets—people who watch other games will be those who will be able to see the great climax to the competition being staged in England from July 11th to 30th next year.

There are times, though, when even hardened box-office officials find it difficult to be unsympathetic to specific requests which do not conform to the regulations which have been laid down. But unsympathetic they have to be.

Take the case of the man who wrote to the World Cup Organisation offices at White City, London, from one of Her Majesty's corrective establishments.

Obviously well aware of the arrangements which have been made for the sale of tickets, he wrote to ask to have a ticket reserved for the Final alone, adding, simply "I shall not be able to watch any of the matches other than the Final, because I am not due to be released until July 29th".

No exception could be made to the conditions which have been laid down, even in such extenuating circumstances. It's a hard life, isn't it?

OUR VISITORS—*Wolverhampton Wanderers*

We warmly welcome to-day one of the greatest and best-known of English League clubs, Wolverhampton Wanderers, who through being relegated last season after the second longest run in Division I since the first World War (26 seasons) are back at Deepdale after a lapse of four years, last appearing on April 8th, 1961.

On that occasion they put a nail in our relegation coffin by a 2-1 win, but it was a nail of our own making, the finishing of our forwards before an 18,210 crowd being wretched. The remaining four games resulted 0-1, 0-0, 2-4, 1-1 and North End went down. Wolves also contributed to our fall from grace on May 2nd, 1949.

This was another game thrown away, a precious point being needlessly lost in next to the last match. Watched by a jubilant crowd of 57,000 immediately following their Cup Final triumph against Leicester City, Wolves were in carefree mood and Preston too anxious. Turning point was a 30 yard free-kick which Gooch misjudged.

Wolve's League record is one that warrants considerable pride, the club having spent 44 of 66 seasons up to last May in the premier section of which, along with North End, they were among the original 12 members in 1888-89.

Winners of the championship in that initial season, North End accomplished the double by defeating the Wolves 3-0 in the Cup Final at Kennington Oval. It was the first of four F.A. Cup-ties between the clubs, all of which Preston won. The other three were at Deepdale in January, 1922, January, 1932, and January, 1953.

OUR VISITORS—*Continued*

From the year of their League baptism, Wolves were a First Division side for 18 seasons, and 27 years passed before this status was regained — and retained until last May. In one of the 22 seasons of their absence (1923-24) Wolves were in the Third Division but made sure of the championship and promotion at the first go.

Their greatest pride is that in 18 seasons from 1936-37 Wolverhampton only twice occupied a position lower than sixth, being champions three times, runners-up five times, and third four times — a wonderful record of consistency. During this period of glorious success they twice won the Cup and shone in challenge matches with outstanding European teams. Their decline set in during 1960-61.

WOLVERHAMPTON PLAYERS

Dave MacLaren (*Goalkeeper*). Formerly with Plymouth Argyle, born Liverpool. Of excellent physique for his job, standing 6ft. 1½ and weighing 12st. 11.

Joe Wilson (*Right back*). From Nottingham Forest. Hails from Workington. Tough, stockily-built defender, 5ft. 8, 11st. 12. Five League games last season.

Bobby Thomson (*Left back*). Rose from Wolves junior ranks to England status. Has eight internationals to his credit. Decisive and polished, is a model full back. Missed only two of Wolves' 42 First Division games last campaign.

Ron Flowers (*Right half*). Mature England half back with 48 appearances, 5ft. 11, 13st. 1 an inspiration to Wolves who groomed him from junior ranking. Fighter of Yorkshire stock, born Edlington. Made 41 League appearances last season.

Dave Woodfield (*Centre half*). Another product of junior organisation. 5ft. 11½, 11st 12. Born at Leamington. Played in 18 League games last term.

John Holsgrove (*Left half*). A sturdy tackler and good constructive player, was born at Southwark and developed with Crystal Palace his previous club.

Terry Wharton (*Outside right*). A more than useful acquisition from junior squad. Eight goals in 39 League games last season. Four more to date. Born Bolton.

Roger Hunt (*Inside right*). Scored 10 goals last season for Swindon Town in 29 Second Division games, but only one with Wolves so far. Belongs to Swindon.

Hugh McIlmoyle (*Centre forward*). Only Scot in the side, born Port Glasgow. Cost hefty fee when signed from Carlisle United. Not very successful in the League, scoring only seven goals in 25 games but did well in Cup ties. Four goals now.

Peter Knowles (*Inside left*). A capital prospect reared at Molyneux. Lanky, lively. Six goals in 23 games last campaign and another 14 to-date. Frickley Born.

Dave Wagstaffe (*Outside left*). Another expensive capture from Manchester City. Fast, dangerous raider who has scored seven of the Wolves 39 goals this season. City's loss has been Wolves' gain here. Born at Manchester.

Ken Knighton (*Substitute*). Product of Wolves juniors, starting 1960. Born near Barnsley and usually seen in the back division. Four League games last season.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

SUPPORTERS' CLUB NOTES

The Supporters Club are holding their Annual General Meeting on Tuesday 30th November when the Balance Sheet for the first full twelve months of the new Club building being open will be presented. This should be of especial interest to all members.

Attractions on stage at the Supporters Club during November include Vickie Hurst—a great songstress and mimer from Liverpool, Eric Noble ('Jolson sings again') on Saturday 13th, the fabulous Pam Shaw on Sunday 14th, the Blonde Bombshell—Valerie Hays on Thursday 18th and on Sunday 28th there is Ann Miller who has appeared on BBC and ITV has also featured in the Manchester Command Performance

A trip has been organised for the match with Norwich City next week but very few reservations have been made. The coach is due to leave at 6.30 a.m. and the fare, inclusive of evening meal and gratuities, is 42/6. Stand tickets at 7/- & 8/- each can be obtained. Members intending to travel to this match are requested to reserve their seats this weekend. If insufficient bookings are received the trip will be cancelled on Monday.

A trip is also being arranged for the match at Southampton on 27th November and interested parties are again asked to make their reservations early in order that it can be determined whether the demand is sufficient to warrant running a coach.

Bookings for trips can be made after today's game and on every Friday evening at the Supporters Club. Telephone enquiries to Mr. J. A. Dodd at Preston 53669.

Following the highly successful appearance at the Club last year, Ray Fell, the T.V. Star has been booked again to appear on Tuesday, the 16th November, with his Cabaret Show. He will be supported by other well known Artists.

Tickets, price 2/6 are now on sale and Club Members are urged to get their Tickets in good time and this Show is certain to be a sell out.

It has been decided to hold Entertainments in the Club on Sunday Lunch time. The first show will take place on Sunday, 5th December and details will be announced in due course.
